

KEMUEL F. FAJANILAN

Bachelor of Science in Computer Engineering

09776990538 | kemuel.fajlan@gmail.com | Colong Colong, Corcuera, Romblon

PROFILE SUMMARY

Results-driven Computer Engineering student with hands-on experience in full-stack development, embedded systems, hardware prototyping, and industrial automation. Completed 240-hour OJT in System Design & Industrial Automation at Multi Axis Handlers & Tech Inc. Consistent Dean's Lister with a strong record of leading technical projects from design to deployment. Seeking to leverage academic excellence and practical skills in a challenging internship or entry-level engineering role.

EDUCATION

BS Computer Engineering | Mindoro State University Bongabong Campus

2022 – Present

- Consistent Dean's Lister: 1st Yr Sem 2; 2nd Yr Sems 1–2; 3rd Yr Sems 1–2

STEM Strand – Senior High School | Quinabigan National High School Pinamalayan, Or. Mindoro

2020–2022

- Graduated With Honors, First & Second Semester Grade 12

Junior High School | Mabini National High School Mabini, Corcuera, Romblon

2016–2020

Elementary | Colong Colong Elementary School Corcuera, Romblon

2009–2016

WORK EXPERIENCE

Computer Engineer Intern | Multi Axis Handlers & Tech Inc. Feb–Mar 2026

Biñan City, Laguna

- 240-Hour OJT (Certificate: Mar 27, 2026)
- Applied system design principles in an industrial automation environment
- Completed all OJT requirements and received official Certificate of Completion

Sales Associate (Part-time) | Miko's Banana Crackers 2021–2022 Socorro, Oriental Mindoro

- Managed product sales, customer engagement, and basic office tasks

TECHNICAL SKILLS

Languages: HTML • CSS • C++

Database: MySQL

Hardware: Arduino • ESP32 • Raspberry Pi • Cirkuit Designer

Software: Visual Studio (C#) • AutoCAD • SketchUp • OpenCV • MediaPipe

Productivity: MS Excel • Word • PowerPoint • Teams

Other: System Embedding • Industrial Automation • 3D Modelling • Networking

CORE COMPETENCIES

Detail-Oriented • Team Collaboration • Problem Solving • Active Listening • Time Management • Project Documentation • Works Independently or in Teams

PERSONAL INFORMATION

Date of Birth: October 18, 2003

Civil Status: Single

Citizenship: Filipino

Languages: Filipino, English

Reference: Available upon request

PROJECTS & DESIGN EXPERIENCE

Computerized Inventory & Sales Mgmt System | Miko's Banana Crackers 2023

- Developed a full-stack inventory and sales management system
- Served as Main Programmer and Documentation Lead

Thumbstone: Battlebot-Inspired Grass Cutter | Mindoro State University 2025

- Led project design, hardware development, programming, and documentation
- Designed a miniature automated grass-cutting machine using combat robot concepts

Bluetooth Password-Protected Security System | Mindoro State University 2025

- Designed and developed the hardware; authored full technical documentation
- Implemented Bluetooth-based authentication for access control

The Vigilance Guardian | ESP32-Based Driver Safety System 2025

- Led end-to-end project design and hardware development using ESP32 microcontroller
- Focused on real-time driver alertness monitoring

CALAMANSCENT – Thesis/Design Project | Mindoro State University 2025
Incorporating Calamansi Peels with Isopropyl Myristate for Eco-Friendly Candle Production

- Responsible for hardware prototyping and full project documentation

QNHS-EduHub – Senior High School Web Portal | Quinabigan National High School – 2026

- Designed and developed a web-based academic management portal for Senior High School students, teachers, and administrators
- Implemented role-based Admin, Teacher, and Student dashboards with separate authentication and functionality
- Developed features for enrollment, student and teacher management, sections, subjects, learning materials, assignments, and announcements
- Built using Next.js, React, Tailwind CSS, Supabase, and SQL

CERTIFICATIONS & SEMINARS

Certificate of Completion – OJT | Multi Axis Handlers & Tech Inc. Mar 27, 2026
System Design & Industrial Automation | 240 Hours

Responsive Web Design: Mobile-Friendly Websites | Ethel Programming Services Mar 22, 2026

1-Hour Workshop via Google Meet

Networking for Beginners – 'Did You Plug It In?' | Ethel Programming Services Mar 22, 2026

1-Hour Workshop via Google Meet

BS CpE Seminar 2026 | Mindoro State University, Bongabong Campus Feb 13, 2026
Topics: Career Dev for Engineers • AI & Future of Work • Emerging Technologies

ICpEP R4B General Assembly | Mindoro State University – Calapan Campus 2023

TechXplore: Frontiers in Tech & Career Opportunities 2023

Web App Dev Frameworks & SEO/Digital Marketing 2023

StartUp 100: Introduction to StartUps & the PSE 2024

ORGANIZATIONS

ICpEP – Region 4B | Active Member 2022–Present

SUCCESS Society (BS CpE) | Active Member 2022–Present

Participates in workshops, seminars, and technical training.

I hereby certify that the above information is true and correct to the best of my knowledge and belief.
